

Using the eventScribe® App

Make the Most of Your On-Site Experience!*

Notetaking & Bookmarking

Annotate directly on presentation slides and bookmark specific slides to view at a later time.

Personal Summary

Notes and bookmarked slides can be viewed, exported as PDFs, or printed at any time.

Create & Share Schedules

Attendees can schedule sessions and personal items, then sync with their own calendars!

Social Features

Attendees can view and communicate with other app users, speakers, and exhibitors.

*Download before you go! On-Site WiFi service can affect the functionality of the app.

1. Download the eventScribe® App

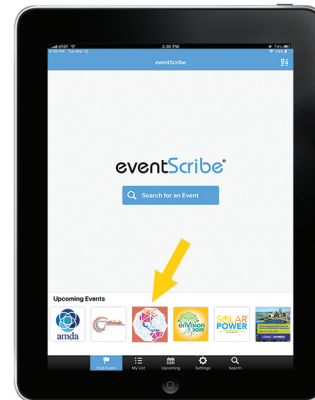

eventScribe
CadmiumCD LLC >

Search for “**eventScribe**” in the Apple App Store or Google Play Store.

INSTALL and **OPEN** the eventScribe app then **SEARCH** for your event app by looking for the event icon or searching for: **APCO 2021**

CLICK to launch the **APCO 2021** mobile app.

Search for an Event

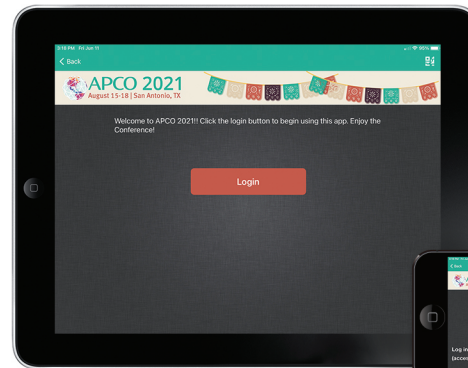

Search:
APCO 2021

2. Login to your event App

Event Icon

To start using your event app, select “**Login**” on the main landing page. This will advance to your login page where you will enter your **email address and Registration ID**.

Forgot Password?
Click Login, then find the Forgot Password link in the upper right corner.

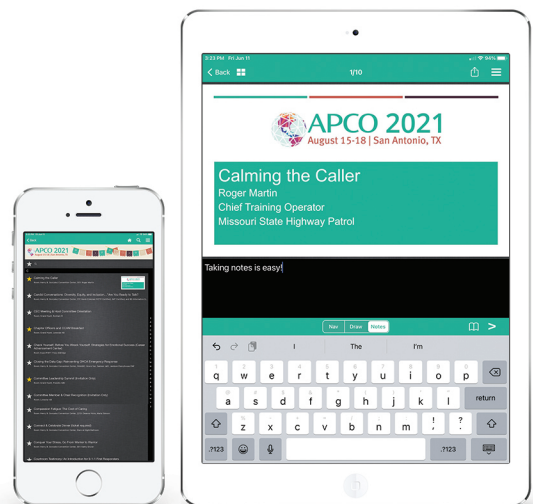

3. Take notes on presentation slides

Find the presentation you need and interact with the presentation by drawing on slides or highlighting text. Use the note-taking mode to type your notes next to each slide. Access your notes and print them out by clicking the “My Notes” on the home screen or “Online Personal Summary” in the hamburger menu.

No mobile device? No Problem.

As long as you have an internet connection, you can take notes on presentations through your **laptop** via this link:

www.eventscribe.net/2021/apco
